

DerbyCon wrapup

This years DerbyCon lock picking village was a great time yet again. We ran contests on the Rumble Challenge as well as the Bomb challenge. However, there was a slight misscommunication with the DerbyCon folks and were not able to award the prize for the Bomb challenge during closing ceremonies. The only contact I have for the winner is "Doug", please shoot us an email at contact@bloomingtonfools.org and we will ship out your prize and trophy. Thanks!
