

Lost & Found

We had some extra locks show up at the lock picking pagoda while cleaning up, here are a couple of them:

If you can name one or both of the other two locks found with these I'll ship them back to you. Send mail to dosman[[@packetsniffers.org](mailto:)]. Also, I believe we are planning to have a FOOLS meeting this coming Thursday at 7pm, send email do dosman for location details.
