

## Lock Picking Meeting February 12th

We are back in town and recovering from Shmocon, what a blast! What to do next but hold a lock picking meeting! This thursday (2-12) at 7pm will be the next meeting of the Fraternal Order Of Lock Sport held at dosman's house. We will have lock picks on hand so come with or without your picks and locks. Please feel free to bring your friends, this is an open meeting. For directions to the location please send mail to dosman [at] packetsniffers.org.
